

# Cars and Vans

## New Domestic Terminal Experience

- As instructed by security, follow the blue line to the Customer Registration Area
- Provide evidence of your completed safety induction and share your flight details with the security guard
- Proceed in your vehicle to Terminal 2 lodgement parking bays
- Use the hand trolleys and ramp to move heavy items, if required
- Follow the pedestrian crossing to lodge your freight at the front counter
- Do not enter truck areas. Use forklift areas only as directed

Please scan the QR code to complete our safety induction.

Screen shot your thank you message in case you are asked for proof of check-in.

If you do not have a smartphone, proceed to the front counter to register via iPad
