MANAGE BOOKING

## Creating booking templates

Set up and use booking templates to speed up regular and repeated bookings.

1. Select the 'Booking templates' tab on the 'My Freight' page, then select 'Create template'.

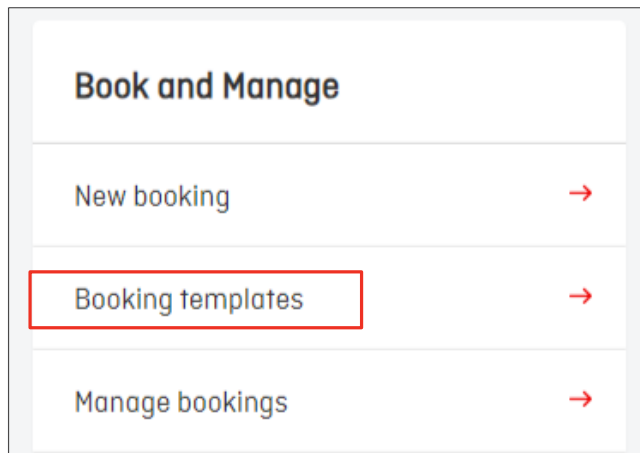

2. Create a template name and complete shipment details for your new template.

## Using booking templates

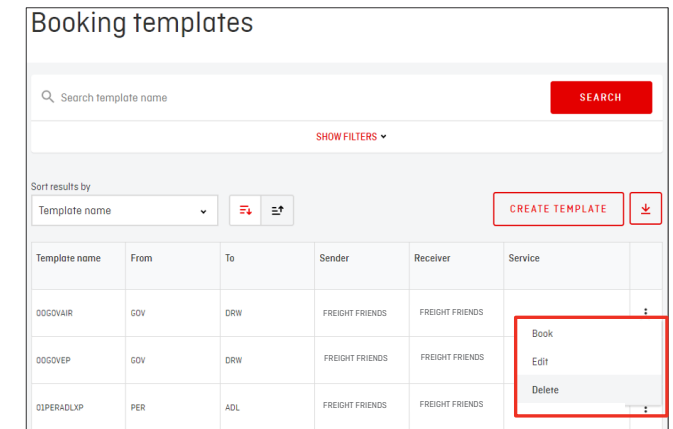

1. Select the 'Booking templates' tab on the 'My Freight' page.

2. Enter template name and select 'Search' or select from the template list.

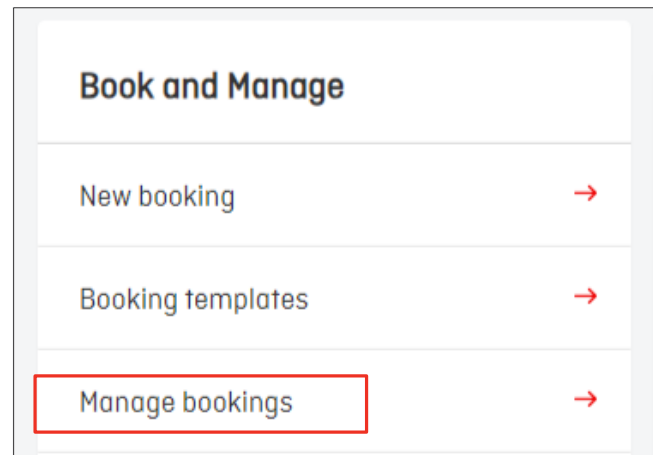

3. Click on the options and choose 'Book', 'Edit' or 'Delete'.

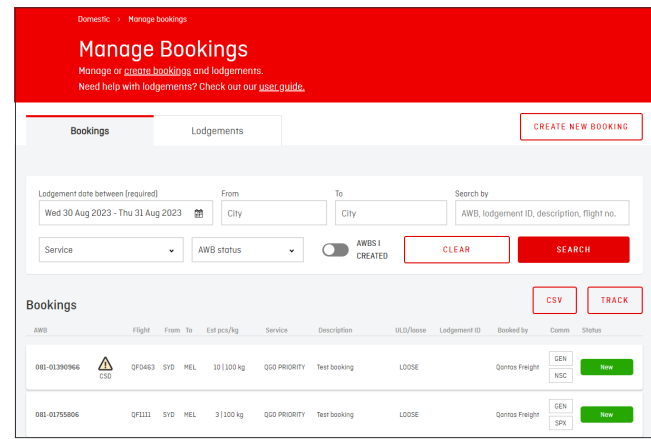

## Managing an existing booking

1. Select the 'Manage Bookings' tab on the 'My Freight' page.

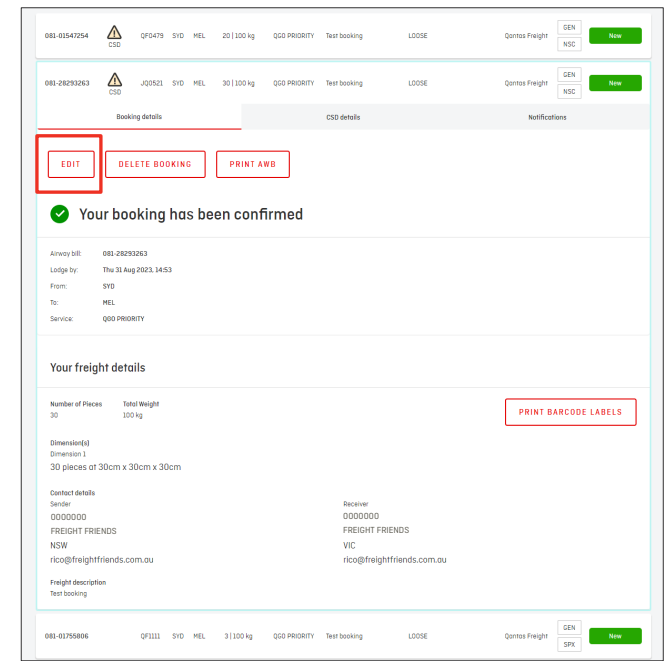

2. Find a booking by entering the lodgement date range and any additional fields, then click 'Search'.

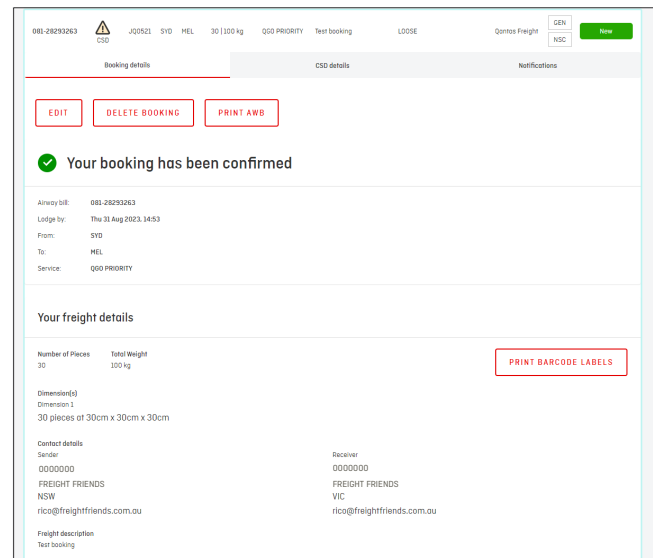

The lodgement date range is mandatory, while others are optional.

3. Edit booking by selecting the AWB to expand the view, then click 'Edit'.

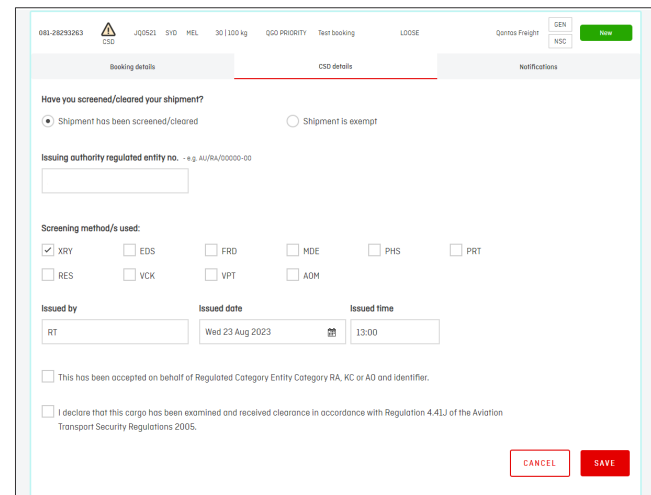

## Managing an existing booking

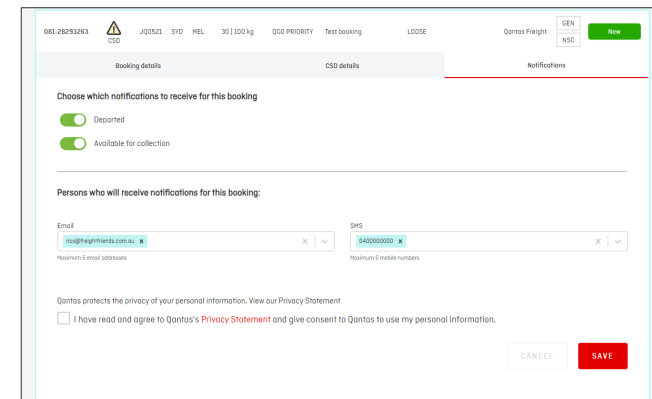

4. In the 'Booking details' tab, you can edit or delete the booking, or print your AWB or barcode labels.

5. In the 'CSD details' tab, you can edit the CSD, or print your CSD.

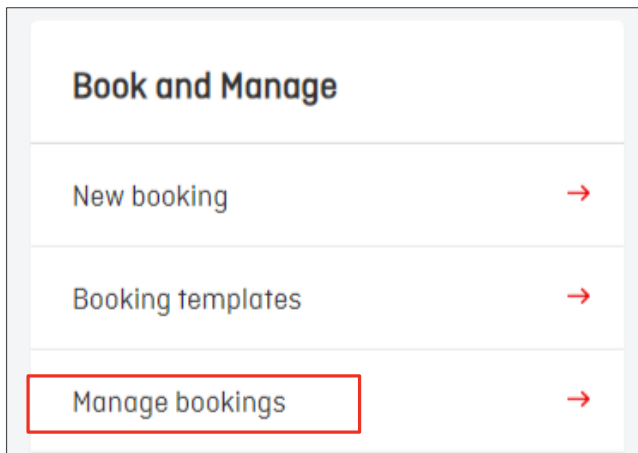

6. In the 'Notifications' tab, you can update your default notifications for an AWB.

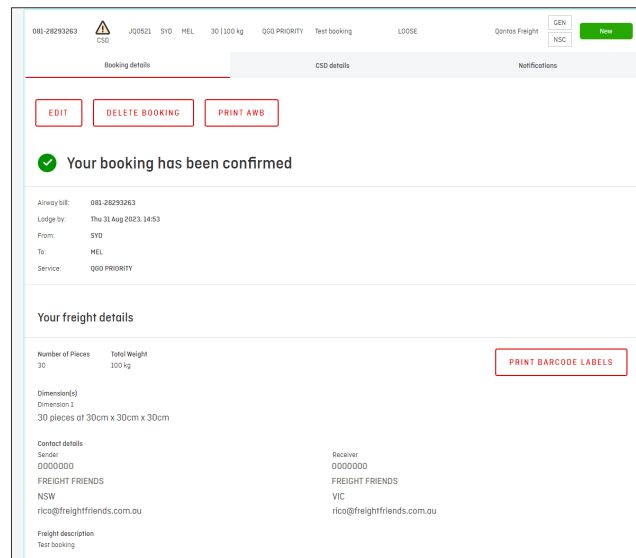

If making changes to your booking, ensure weight and dimensions are updated.

## Cancelling a booking

1. Select the 'Manage Bookings' tab on the 'My Freight' page.

2. Select an AWB to expand the view, click on the 'Booking details' tab, then click 'Delete booking'.

3. Confirm the cancellation by clicking 'Delete'. Your booking will then be cancelled.

Cancelling bookings that are no longer required will improve your access to urgent or last minute freight capacity.

Alternatively you can select 'Edit', then click 'Delete booking'.
