

# Updating notifications

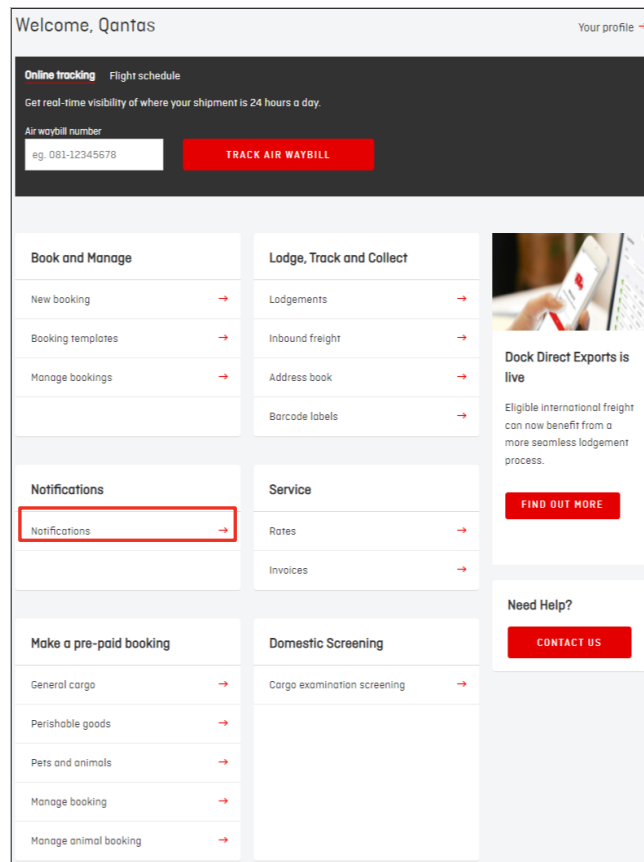

A simple way to manage your notification settings online.

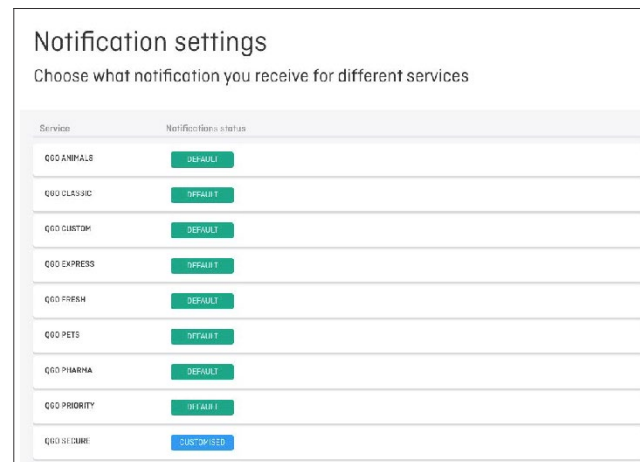

## Domestic bookings

Updating your notification settings for domestic bookings.

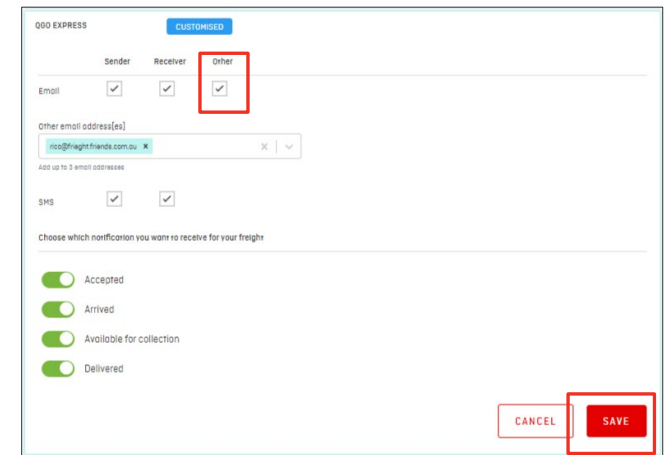

1. Log in to your account, then click 'Notifications'.

2. Select the QGO service you want to update.

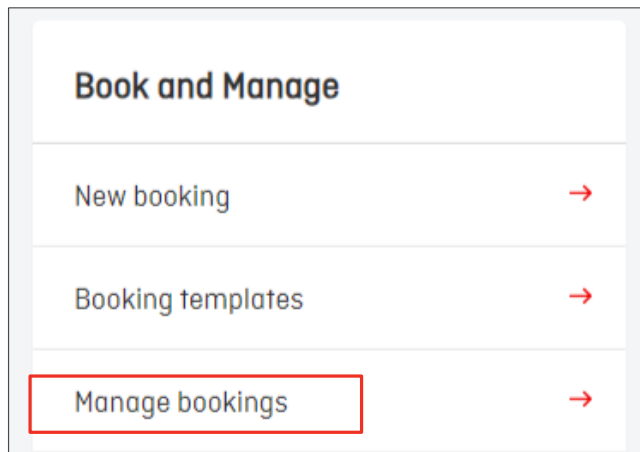

3. Select notification preferences, and add additional emails by ticking 'Other' if you wish. Click 'Save' to update preferences.

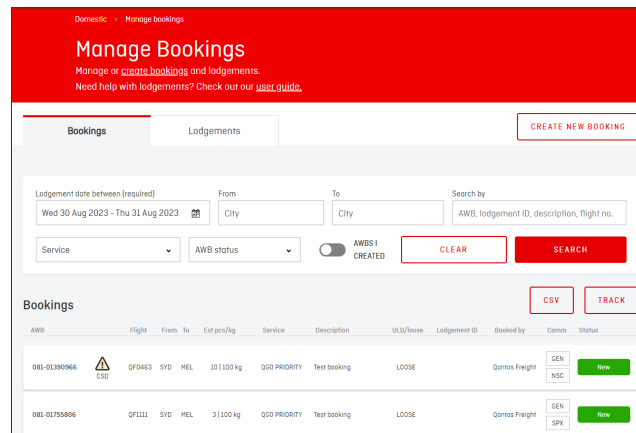

## Domestic bookings

Managing your notification settings for domestic bookings.

1. Select the 'Manage Bookings' tab on the 'My Freight' page.

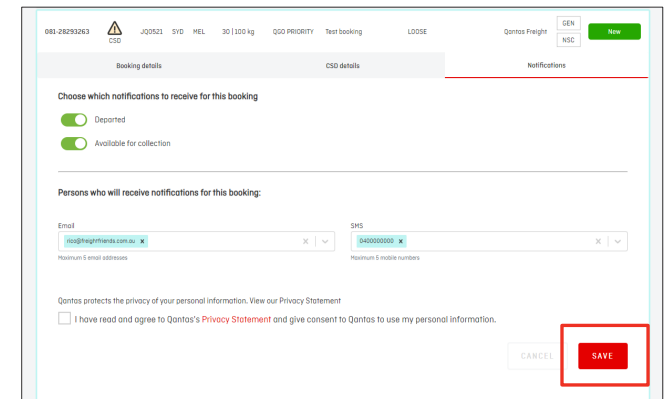

2. Find a booking by entering the lodgement date range and any additional fields, then click 'Search'.

The lodgement date range is mandatory, while others are optional.

3. Click on an AWB to expand the view. In the 'Notifications' tab, update the AWB notifications. Click 'Save' to update preferences.

# International bookings

Set up your notification settings for international bookings.

1. Log in to your account, then click 'New Booking'.
2. Create a new booking.
3. Select which notifications you want to receive, and update email and phone fields if required.

## International bookings

Set up your notification settings for international bookings.

4. Complete the 'Dangerous Goods' declaration, then click 'Book'.

5. Complete booking by clicking 'Book'.

**Dangerous Goods Declaration**

I acknowledge that this consignment/package/parcel/envelope does not contain any items that may be considered Dangerous Goods. These can be identified by the presence of any of the following labels.

Some dangerous goods do not always display a hazard label e.g. petrol/fuel or residue in car parts, chainsaws, generators, engines, whipper snippers, etc.

Failure to declare Dangerous Goods or to misrepresent the contents of any package, is a criminal offence under Australian Civil Aviation Act, Regulations and Orders and you may be subject to prosecution.

Does this consignment contain dangerous goods?

No  Yes

**Please read the following before booking**

I agree to the terms and conditions for freight lodged for transportation as per [Qantas Freight's Condition of Carriage](#).

I agree to the terms and conditions of the [Qantas Privacy Collection Notice](#).

This consignment does not contain an unauthorized explosive or incendiary device and I understand may be subject to security screening by Explosive Trace Detection, X-Ray and/or physical search.

I accept that this consignment may be subject to mandatory screening at the terminal prior to uplift.

If this consignment is sensitive to/damaged by x-ray screening, I agree to advise staff at lodgement so that an alternative screening method can be arranged.

I understand that I am personally responsible for the above statements and that a false or misleading statement made knowingly or recklessly is a statutory offence punishable by imprisonment and/or a fine and may render me liable in damages for breach of contract.

I have read and agree to the above terms and conditions

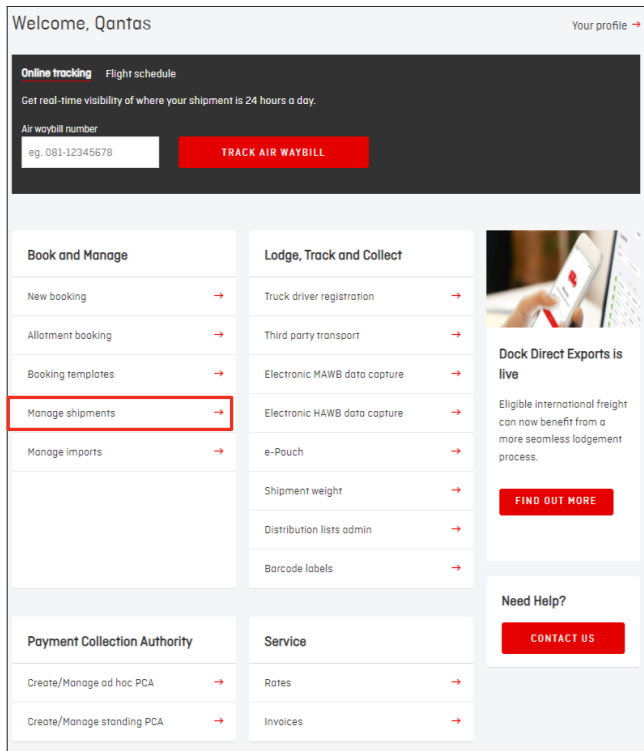

By requesting space with Qantas Freight, I agree that if my request can be accommodated, Qantas Freight will confirm my booking up to 48 hours prior to flight departure. I can cancel my request at any time before it is confirmed by Qantas, in which case no cancellation or change fees apply. If I cancel or change my request after the booking is confirmed, a fee of up to 100% of the value of the booking will apply.

**BOOK**

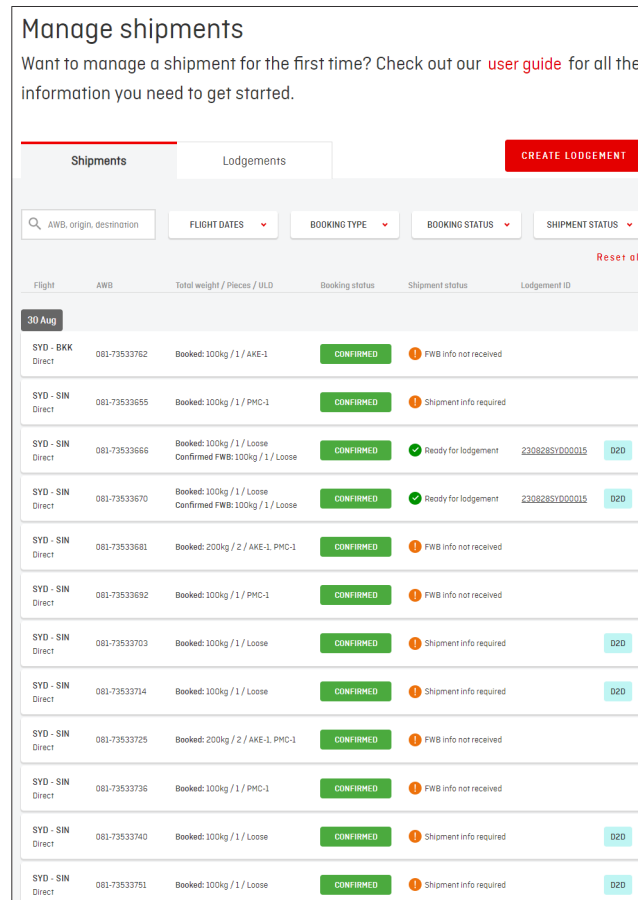

# International bookings

Manage your notification settings for international bookings.

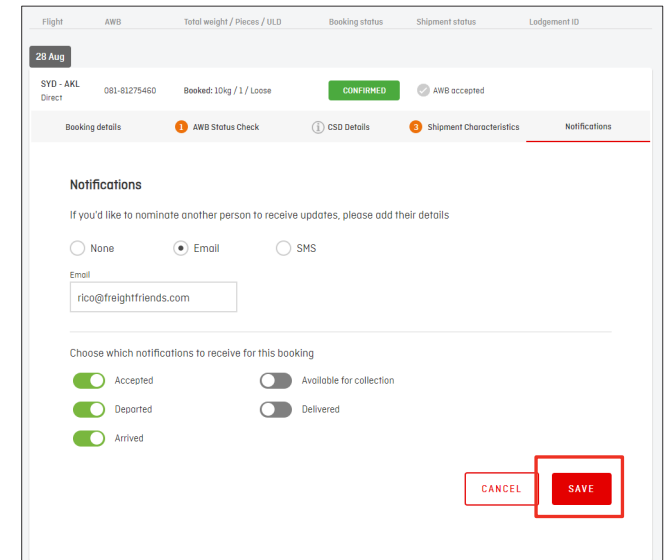

1. Log in to your account, then click 'Manage Shipments'.

2. A list of shipments will be displayed in date order.
